

The Commonwealth Goat Club is pleased to present:

An Introduction to Cheesemaking

Saturday, June 25, 2011

10 am until 4 pm

Madison County Extension Office
War Memorial Building
4 Church Street, Madison

This workshop is designed to introduce participants to basic home cheesemaking skills. We will be making chevre, mozzarella and ricotta during the workshop. Milk sources, cheesemaking supplies, suppliers and reference books will all be discussed. We will also troubleshoot common problems. At the end of the day, we hope to encourage and inspire participants to try cheesemaking at home.

\$25 registration fee

The workshop is limited to the first 25 paid registrations.

Visit www.commonwealthgoatclub.com for registration forms.
